Local Farm Bureau Seeks 100 New Members

Farm Bureau Week Planned September 17-23

Governor Claude Kirk has officially proclaimed the week of September 17-23 as "Farm Bureau Week" in Florida as a salute to the more than 35,000 family members of Florida Farm Bureau Federation, the State's largest agricultural organization.

At the proclamation ceremony in his office prior to his departure for Germany, Governor Kirk commended FFBF for its contributions to the State and urged all Floridians to consider the importance of agriculture to Florida's economy as the State's number one industry.

"Agriculture is our State's largest industry and the members of Farm Bureau are to be commended for helping make that possible," Kirk said.

The week long observance will serve as the official kick-off, or the 1967-68 FFBF year in 64 county Farm Bureau organizations throughout the State.

In announcing plans for Farm Bureau Week, Art Karst, Vero Beach citrus grower and FFBF president, pointed out that FFBF is a private non-profit, volunteer organization of farm people, "working together to better their community their state, and their nation," Karst said.

"During Farm Bureau Week volunteer workers plan to contact every potential member of Farm Bureau in Florida with facts and figures about agriculture and about the philosophy and principles of the organization," Karst stated.

"You might say that Farm Bureau is the 'chamber of commerce' of agriculture and is the voice of more than 35,000 farm families who work to produce the food and fiber so important to us all," Karst continued.

"Slightly more than 3 percent of Florida's population is engaged in agriculture, yet that 3 percent was responsible for \$4.2 billion to the economy of Florida last year which does make it our State's largest single industry," he said.

Established in 1941, FFFB is affiliated with the American Farm Bureau Federation, an organization of 1,800,000 farm families throughout the United States.

Membership in Farm Bureau has increased each year for the past 25 years, Karst noted in announcing Farm Bureau Week.

He is survived by his widow, Leola Mae; one son, Harvey E. of North Palm Beach; one daughter, Mrs. Elizabeth Sloane of Leesburg; two brothers, Douglas of Canal Point and Warren of Fort Myers; two sisters, Mrs. Loyd Carter of West Palm Beach and Mrs. Albert Sturgis of Fort Meade and five grandchildren.

Cane Clinic Scheduled Monday, Sept. 25

Monday, September 25, the 3rd Annual Sugarcane Clinic and barbecue supper will be held at the Belle Glade Civic Center. The barbecue supper will begin at 6:30 p.m. and the Clinic will start at 8:00 p.m. The clinic is sponsored by the Geigy Agricultural Chemicals.

Topics being discussed will include wireworm control with Diazinon insecticide, weed control with Atrazine or Ametryne herbicides and proper application techniques.

The clinic will end with an informal question and answer period.

Public Library Will Have Night Hours

The Pahokee Public Library board, in a regular session Thursday, September 9, unanimously voted to change the buying of library cards from an indefinite duration to annually, beginning October 1, 1967.

If the purchasing date of anyone's card is more than one year old as of October 1, 1967, that person must purchase a new card and one each year thereafter. Cost of the library card per year will be \$1.00, the same as always. This cost is for either an individual or for a family.

The board also voted unanimously to not open the Public Library from 10:00 a.m. to 12:00 noon on Thursday mornings, beginning Thursday, September 21, but to open the library from 2:00 to 5:00 p.m. as usual and from 7:00 to 9:00 p.m. on Thursday evenings. It was thought by the board that the opening of the library from 7:00 p.m. to 9:00 p.m. might accommodate some people and students each Thursday evening that might not be able to use the library during the mornings.

The above press release was signed by C. M. Todd, president of the Pahokee Public Library Board and Mrs. Uldene Todd, librarian.

Pahokee P.T.A. Will Meet Next Monday Night

The Pahokee P.T.A. will hold its first meeting of the 1967-68 school year on Monday, September 18, at 8:00 p.m. in the library of the Pahokee Elementary School.

An executive board meeting will be held at 7:00 p.m. in the library of the elementary school.

All parents with children in school, elementary, junior high and senior high, are urged to attend the meeting.

Director To Be Named Pahokee Commerce Body

Election ballots have been mailed to all members of the Pahokee Chamber of Commerce to elect four new directors for three-year terms.

The ballots must be returned to the Chamber office by 5:00 p.m. Monday, September 18, with votes to be tallied by an election board.

Those who have been nominated are Benjamin F. Abney, Jr., Frank Campanile, Houston Connell, Dr. R. L. Hatton, Robert McIntosh, Kyle Scott and Luther York. The nominating committee consisted of Dr. R. K. Ames, Earl Alderman, Jr. and Earl Meredith.

The four highest vote receivers will be selected to serve the term of three years. The new directors will be installed at the annual banquet to be held on Tuesday, October 10, beginning at 7:30 p.m. at the Elks Club in Pahokee. Guest speaker for the event will be Lawrence B. Sheeffey, vice president of South Florida Southern Bell Telephone and Telegraph Company in Miami. Dr. R. K. Ames will be in charge of the dinner arrangements.

The president, Charles Story, appointed Art Lieblich to fill the two-year unexpired term of Albert Gamot, Jr., effective October 1, and Art Ford was appointed to fill the one-year unexpired term of Joe Alderman, Jr., also effective October 1.

The necessity for a recall election in Pahokee went by the boards the first of the week when two councilmen—R.W. Sanders and Lee Carroll Parker who were facing recall—tendered their resignations as councilmen. Another member of the board not under recall, Curtis Miners also handed in his resignation as a member of the city governing body.

At the meeting on Tuesday night of this week Councilmen George Tucker and Oscar Dobrow, assisted by Councilman Parker whose resignation did not take effect until Wednesday, appointed a new councilman in an effort to have enough on the council to conduct business. They named Donald E. Blankenship as a member to the seat made vacant by the resignation of Curtis Miners who was not under recall but had said that he would resign if the recall effort succeeded.

With the resignations of Sanders and Parker, who were under recall, the council in a special meeting on Thursday night of this week set a special election date to name two new members to the council.

Joint Meeting Garden Clubs Next Tuesday

A joint meeting of the Canal Point and Pahokee Garden Clubs will be held on Tuesday, September 19, beginning at 7:30 p.m. at the Community Building in Canal Point.

Milton Carpenter, native born Pahokeean and now residing in Belle Glade, will be the guest speaker and show slides on Orchids. Mr. Carpenter is president of the International Orchid Society and has addressed orchid societies throughout the United States and South America. He is recognized all over the world for his success in raising cymbidium orchids and ships them to many foreign countries. Many honors have been bestowed on him for his outstanding orchid collection.

The meeting will be a cover-dish supper with each member to bring a covered dish and a guest. All members are urged to attend and to notify Mrs. Lillian Padgett at 924-5579 if she plans to attend the meeting.

Lions Club Of Canal Point Meets Sept. 18

The Canal Point Lions Club will hold their regular meeting on Monday, September 18, in the private dining room of the Glades Track Stop Restaurant, with president, D. L. Hooks, presiding.

The meeting will begin at 7:00 p.m. A special program has been planned for the meeting.

All interested men in Canal Point are urged to attend and become members of the club.

Recall Election Scrubbed As 3 Councilmen Quit

With a goal of 100 new members, the Everglades Farm Bureau will kick off its 1967-68 membership drive during Farm Bureau Week September 17-23.

Farm Bureau in our county, our state and in our nation is becoming a vital moving force speaking for all those involved in agriculture, and we plan to take the message to every potential member in our county," Floyd Erickson, president of the Everglades Farm Bureau said in announcing plans for the drive.

"Last year 557 farm families in our county joined in the important work of Farm Bureau," he said. "This is an increase over the previous year and with 100 potential new members we can again show an increase during 1967-68," he stated.

"With only slightly more than three percent of Florida's population engaged in agriculture, it is vitally important that we stand together on those issues which affect not just farmers, but every citizen of our county and our state," numbers, but there certainly is Erickson said.

"No longer is there strength in strength in unity and we must remain united if our voice is to be heard," he urged.

J. W. Pepper of Canal Point has been appointed membership chairman of the 1967 drive. Present plans call for teams of members to call on potential members during Farm Bureau Week and the weeks to follow.

State and county wide publicity is planned including the use of radio, television and the newspapers with the kick-off slated for Farm Bureau week.

Special membership brochures are being prepared by the state office along with other promotional and publicity pieces.

"Farm Bureau is on the move. For each of the past 20 years, membership in Florida Farm Bureau Federation has increased each year. We in the Everglades must continue to do our part in speaking for agriculture both on the county level and through our delegates and resolutions to the state convention," Erickson stated.

"In legislation, in services, in commodity work, in insurance and in many other areas Farm Bureau is stepping forward to meet the needs of farmers and of agriculture in Florida," Erickson concluded.

Watermilfoil Equals Hyacinth As Trouble Maker

Besides the water hyacinth, another aquatic weed which could seriously hamper the state's waterways has now been found.

According to the Plantation Field Laboratory, the water plant, called Eurasian watermilfoil, has been discovered in the Crystal-Homosassa River Basin on the west coast of Florida about 60 miles north of Tampa-St. Petersburg and also at Lake Seminole near Chattahoochee.

As of early this spring, the water plant had spread over 3,000 acres from the Withlacoochee River to Weeki Wachee Springs. The watermilfoil is also firmly established in the brackish waters of Chassahowitzka Bay where the Homosassa River empties into the Gulf.

The intrusion of the newly-found water plant "could drastically affect the economy of the state," the scientists say, because of the number of water attractions nearby.

The weed is a submerged type of plant and causes a thick mat of vegetation sometimes up to several feet thick. If it is allowed to continue, it could damage water resources in the state by stopping fishing, skiing, boating and swimming in those areas.

The weed also clogs channels used for drainage. It could also damage commercial fisheries and limit all of the affected areas as tourist attractions.

"Since the watermilfoil can adapt itself to a wide range of conditions, it's a problem plant throughout the state," Blackburn said. "The big question now is where and how fast will it travel."

A single two-inch fragment of the plant could root itself and grow to four feet or more in three months. Chances of the weed spreading to other watersheds are good, according to the scientist, since so many of the state's rivers connect with one another. Small boats travelling from one spot to another help move the plant to new locations.

This same plant has already spread over 200,000 acres in the Chesapeake Bay in 10 years. Florida is well aware of how fast a water plant can spread as a result of its current battle with the water hyacinth.

The scientist mentioned that besides the adverse affect the aquatic weed has on water sports and tourism, it provides a good breeding spot for mosquitoes and lowers the real estate values.

In describing the Eurasian R. D. Blackburn, assistant agronomist, said the leaves are whorled with 10 to 14 finely dissected segments on each side of the leaves. The spike extends out of the water from two to four inches and has no leaves.

The plant will tolerate salt water as much as one-third sea strength as well as fresh water and is gen-

Gulf Life Opens Its New 27-Story Bldg.

Gulf Life Insurance Company will move into its new 27-story home office, Gulf Life Tower, from September 13 to September 17.

The Tower, located in the 25,000,000 Gulf Life Center on the south side of the St. Johns River, is the tallest office building in Florida and the tallest precast, post-tensioned building in the nation. Also located in the Center is the 10-story Shoreline-Jacksonville Motor Hotel, a five-level parking facility for 750 cars, plus a mall containing a number of shops and service establishments.

The five-day move from the old Gulf Life building on the north side of the river will be the largest moving job in the city's history—the equivalent of 262 four-family household units.

The 575 home office workers of the company will leave their old location on the afternoon of September 13 and will report on Monday morning, September 18, to the new Tower where all chairs, desks and equipment will be in place ready for work to begin.

M. S. Niehaus, Gulf Life president, says, "The move into this Tower of the future, with its daring architecture, its pioneer use of new building materials and new techniques, and its promise of continuing vitality for our company, our home community and the Southeast area we serve, is indeed the symbol of our 'new' Gulf Life Insurance Company."

The Tower will be Gulf Life's sixth home office in 35 years as rapid growth of the company continues to require larger and larger quarters. Gulf Life will initially occupy 11 floors of the new building, with tenants on the other floors.

The firm, Florida's largest life insurance company, now has over \$2.5 billions of insurance in force and ranks in the upper four percent of the nation's 1700 life insurance companies.

Mrs. C. A. Batchelor has returned to her home from Good Samaritan Hospital in West Palm Beach after several weeks.

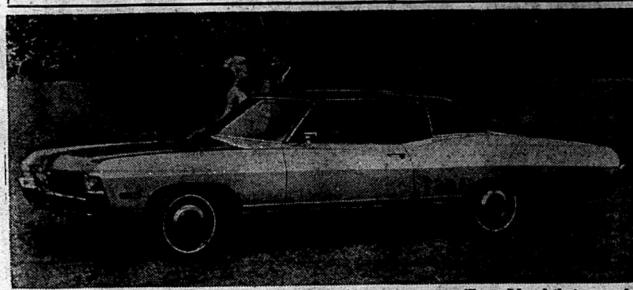

erally found in from one to nine-foot depths.

Its successful control will depend on early detection and prompt treatment.

"Anyone finding this aquatic weed in areas other than the Crystal-Homosassa River Basin and Lake Seminole should report it to their local Florida Game and Fresh Water Fish Commission office," Blackburn said.

Cooperation between the public and state agencies will be an important factor in preventing the spread of the watermilfoil.

Swanky lines distinguish the Smart '68 Chevrolet Caprice Coupe

Chevrolet's new look for 1968 begins up front with a smart new grille and hood that conceals the windshield wipers. Recessed taillights in the rear bumpers and new body side lines are smart styling features as shown above on the Caprice Coupe. An impressive list of comfort and convenience options make it possible to custom-tailor a new Chevrolet to almost any personal taste. New Chevrolets will be on display September 21 at Hugh Platt Chevrolet-Olds, Inc., in Pahokee.

Bailey Again High Man In Belle Glade Vote

Two-time Mayor Bill Bailey, of Belle Glade swept to an easy victory for re-election Tuesday over Jesse D. Lee. The vote for the Central Borough council seat in the city was 878 for Bailey and 505 for Lee. Bailey is a former resident of Pahokee.

For the North Borough seat on the council Aubrey Farmer walloped two opponents and won a decisive victory without going into a run-off. Mr. Farmer garnered 753 votes for a clear-cut majority over two opponents—George C. Young, Sr., with 210 votes and Bunk McCall of Everglades Federal Savings and Loan Association, with 447 votes.

There will be a run-off for the West Borough seat on the council next Tuesday between high man, Willie Pyfrom with 615 votes and next high man, Davis Kicklighter with 600 votes. The third man in that race was Raymond E. Alston with 312 votes.

In the run-off next Tuesday there will be Kicklighter, a barber, and Pyfrom, the second Negro to qualify for a run-off, trying to gather in as many of the Alston votes as possible.

With favorable weather a large turn-out of 1,978 voters made their way to the polls Tuesday.

Camping Has Become Quite Popular In State

Camping is popular year-round in Florida. With the many delightful campsites, it's no wonder you see so many campers taking advantage of the great outdoors.

Some satisfactory camping outfit costs about as much as a two-week hotel bill for a family of four at a resort, says the Florida Agricultural Extension Service.

And if the equipment is durable, you're set for several years. Your main expense will be food and travel to the camp grounds.

What kind of gear will you need for camping?

You can use a tent, tent trailer, or camping trailer. There are lots of tent styles on the market. Authorities suggest a dry-chemical finish tent, 11 x 11 foot square umbrella model, to sleep a minimum of four. If a straight-side model is used, living space will be increased and also give more head room.

A sewed-in floor helps to protect you from puddles, crawling insects, and drafts.

Air mattresses, sleeping bags, and cots, singly or in any combination, depending on personal preference, are equally acceptable. Investigate all styles of sleeping gear. Don't buy hastily. Buy from reputable manufacturers and sporting goods dealers. The better the quality, the longer the service.

Mrs. Valerie Davis Hostess Xi Alpha Mu

Mrs. Valerie Davis was hostess to the meeting of the Xi Alpha Mu Chapter, Beta Sigma Phi-Sorority, on Thursday night with Mrs. Genevieve Wilson, president presiding.

Mrs. Cecilia McLean gave the program titled "Alaska" which is a continuation of their theme from last year, "Grand Tour".

Mrs. McLean, who was a teacher at Fairbanks, Alaska, during the past year told of her teaching experiences there, the countryside and stories of living in the area, accompanied by moving pictures.

The chapter planned for a coke party for rusies to be given jointly by the four chapters of the Beta Sigma Phi, sponsored by the City Council.

Xi Alpha Mu will be in charge of the Valentine Dance and will appoint a chairman for Exemplar Day. Mrs. Gettie Fried, social chairman, announced that many socials are being planned throughout the year with the theme, "Food Around the World."

The next meeting will be held at the home of Mrs. Dot Hillier in West Palm Beach on Thursday, September 23.

To get quick, intense heat for cooking, use a two- or three-burner affair folding gasoline stove. A folding oven is nice but not necessary. Be sure to carry your cooking fuel in a metal, properly labeled safety can.

For cooking you will need a steel or cast aluminum skillet, which may have a folding handle, and an assortment of pots and pans, nesting variety recommended. Plastic dishes are durable and light to pack. Paper plates require no dish washing.

Don't forget lanterns and flashlights for night.

There are a variety of quality, well-insulated ice chests on the market. Select one or more to suit your family's needs.

For maximum enjoyment of the out-of-doors, campers should burden themselves with all the comforts of home. The higher degree of gadgetry you can avoid, the greater will be your enjoyment.

When making up your mind what to take or leave at home, observe seasoned campers.

Fall Conclave Planned By DeMolay Chapter

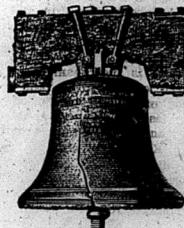

Special guests at the Monday night meeting of the Jack W. Barrett, Order of DeMolay for Boys, were Pat Harris, provincial Master Counselor and Francis Carrin, provincial junior deacon and two other guests from West Palm Beach who talked about the Province Six Fall Conclave which will be held September 30 and October 1 at the Shamrock Village in Fort Pierce.

On Sunday, September 17, at 3:00 p.m. there will be a meeting at the Belle Glade Masonic Lodge to organize the DeMolay Chapter for the boys in Belle Glade. All DeMolay and Master Masons are urged to attend.

Dad Charles L. Story of the Jack W. Barrett Chapter, wished to extend his thanks for himself and the Chapter for the refreshments which have been served at the meetings.

Monday, September 25, will be the next regular meeting of the Chapter with Dad Cecil Spencer, supervisor of Province 6, making his official visit.

Ernest Lindrose Funeral Held Thursday A.M.

Funeral services were held at the Elks Lodge meeting room yesterday morning for Ernest A. Lindrose, 84, who passed away on Monday following a long illness. The funeral services were under the direction of officials of the Lodge and interment was at Port Mayaca cemetery.

The deceased came to Pahokee in 1911 from New York. He was a native of Finland. He was an employee of the U. S. Sugar Corporation for a quarter of a century. He was a member of the Pahokee Methodist church and the Elks Lodge in Pahokee.

He is survived by his wife Florence of Pahokee and four sons, Howard W. Jensen of Christmas, Florida, Edward A. Jenson and Ernest A. Lindrose, Jr., of Pahokee and Earl A. Lindrose of Belle Glade; two daughters, Mrs. Earl Swain of Miami and Mrs. H. D. Clark of Atlanta. There are 13 grandchildren and 18 great-grandchildren.

Wetherington Funeral Home of Pahokee was in charge of arrangements. Pall bearers were Edgar Wilder, Leonard Dobrow, Hub Sporer, Louis Gold, Jerry Gold and George Tucker.

School Savings Is Working Good, Report Says

Postmaster Edythe Smith has been commended by Glen R. Johnson, National Director of the U. S. Savings Bond Division, for her leadership and service to the Treasury Department's School Savings Program.

In a letter to the Canal Point Postmaster, Mr. Johnson said, "Today, the School Savings Program is more important than ever. Our children are growing up in a world of tension, of conflict. The challenges they must face are ever increasing. If they are to reap the full benefits of their American heritage they must be prepared to meet these challenges; they must be given positive goals for themselves and their country. The School Savings Program serves not only to teach the habit of thrift but to prepare our young people for some of the responsibilities they have as American citizens."

Canal Point school offers School Savings—part of the nationwide Savings Bonds Program. Savings Stamps in five denominations, from 10 cents to \$5, are on sale at all times in the post office and on Stamp Day in school. As pupils fill their albums—which are provided free—they exchange them for U. S. Savings Bonds at their bank.

Postmaster Smith said, "We are proud to offer this service to our young people. I know no better way to teach thrif and civic responsibility than by encouraging our youth to buy Savings Stamps and Bonds. This is one way they all can share in America."

Calling Shower Tues. For Mrs. Peacock

A calling shower in honor of Mrs. Barbara Jean (Buttons) Peacock was held on Tuesday, September 12, between the hours of 8:00 p. m. and 10:00 p. m. at the home of Mrs. Melvin Spooner.

In the receiving line with the honoree and Mrs. Spooner were Mrs. Sam McKinstry, Jr., the honoree's mother, Mrs. W. A. Cross, Sr., her grandmother and Mrs. P. D. Peacock, her mother-in-law. Mrs. Peacock wore a white orchid corsage, the mothers and grandmother wore purple orchid corsages and the hostesses wore pink carnation corsages.

A color scheme of pink and green was used throughout the decorations. Mrs. Tommy Culberson was in charge of the guest book. Mary Nell Spooner and Joy Jones were in charge of setting all guest signs and the guest cloth.

The refreshments table was laid with a lace cloth centered with an arrangement of pink sweethearts, roses, baby's breath and leather leaf fern. On either side of the arrangement was a sterling silver three-branch candelabrum with pink tapers. Nuts and mints were served in silver compotes. The punch was served by Mrs. Harry Cunningham and Miss Penny McKinstry from a hand-cut glass punchbowl, a gift to the bride by her grandmother, Mrs. W. A. Cross, Sr., when she was a young girl. Mrs. Jeff Barwick served the cake. The hostesses, with Mrs. Spooner, were Mrs. Lester Hand, Mrs. O. R. Bleach, Mrs. Annie Merle Carter, Mrs. W. K. Aldridge, Mrs. W. H. Jones, Jr., Mrs. Milton Salvatore, Mrs. D. W. Cunningham, Mrs. Lewis Friend, Mrs. Joe Hatton, Jr., Mrs. John T. Pickett, Mrs. Wallace Barnes and Mrs. Robert M. McIntosh. Their gift to the honoree was a silver tray.

Appreciation Letter To Pink Ladies

Hospital Auxiliaries effectively serve their communities by undertaking programs to help relieve manpower shortage.

Good training in rules and regulations helps to equip the Auxiliaries, enabling her to be of service to her hospital, to her community and to herself.

Many hours have been donated by your Pink Ladies, for which no pay is received. These women donate their precious time unfailingly, receiving only a smile or a "thank you," and, indeed, this is all that is required to tell them they are doing a good job and it is appreciated.

My term of office as president of the Woman's Auxiliary of the Everglades Memorial Hospital for the 1966-67 year is drawing to a close, and as it ends, I want to say,

"Thank You" to every member of the Auxiliary. Never once when you were asked to go on duty for your Auxiliary, and you were able

Buy Bonds where you work.

He does.

It's miserable work, crawling through a rice paddy. And being shot at. This American does the job for freedom's sake. So do thousands of his buddies. Many of these brave men also support freedom with their dollars. A majority of our servicemen overseas are investing in U.S.

Savings Bonds. Would you like to show this man you're with him? One good way is to buy Savings Bonds where you bank or join the Payroll Savings Plan where you work. You'll make a good investment. And you'll walk a bit taller.

U.S. Savings Bonds

Bond facts: Savings Bonds pay you back \$4 for every \$3 at maturity in only seven years . . . are replaced free if lost, destroyed or stolen . . . have special tax advantages . . . can be redeemed whenever the need arises.

Now— U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

Higher interest on the
Bonds you already own, too!

U. S. Savings Bonds are a better way to save than ever.

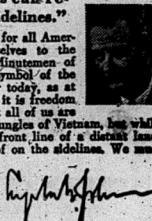

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to recommit themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our country, it is freedom which is at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front line of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

NEW FREEDOM SHARES

What are they? Who may buy them?

Americans have put their savings to work for freedom through U.S. Savings Bonds for many years. New Freedom Shares do the same job . . . plus. Read how.

Freedom Shares are U.S. Savings Notes. They pay a higher return than Savings Bonds, 4.74% when held to maturity. And they mature in just four-and-a-half years.

For regular Bond buyers only

These new Freedom Shares—which are not redeemable for the first year—are offered on a one-for-one basis with E Bonds, but only to people who belong to the Payroll Savings Plan where they work or the Bond-a-Month Plan where they bank.

There are four denominations of Freedom Shares, each of which may be paired with a Series E Bond of the same or larger denomination, as a "package." For instance, for

\$39 total, you can purchase a Savings Bond that matures at \$25 and a Freedom Share that matures at \$25.

America needs your help

When you buy Savings Bonds and Freedom Shares you do an important job for freedom, backing our men in Vietnam and helping to keep the country economically strong. The need is urgent. What *you* do counts.

Sign up

Tell your supervisor or the Payroll Department where you work (or any officer where you bank) that you'd like to join a Bond purchase plan. Decide how much you'll save . . . whether you want Freedom Shares as well as Bonds . . . and just sign the authorization card.

You'll be helping your country as you help yourself; the country needs your help.
